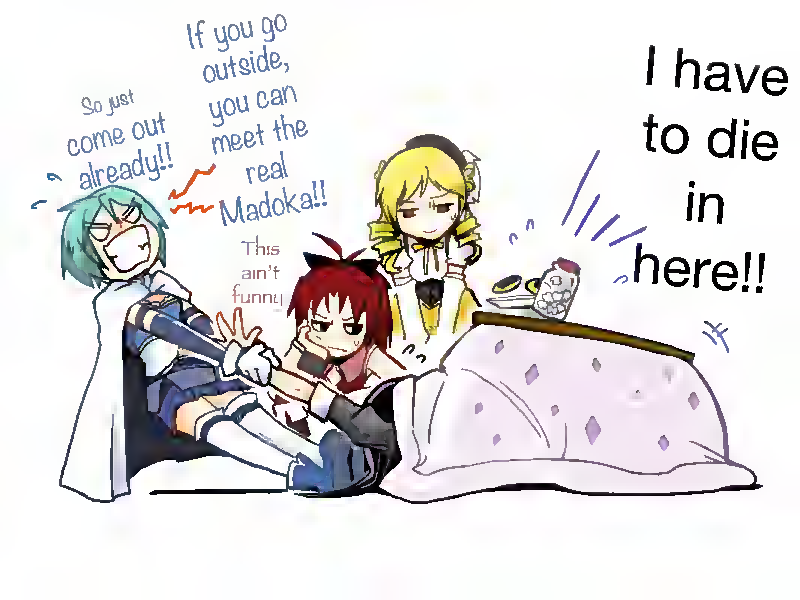
I just don't understand this at all.
Silence.
You're in the way
Tangerine, please.
munch munch
Can't see the TV.
Disappear.
. . . .

PUELLA MAGI MADOKA MAGICA

まどか☆マギカ

New version: Kotatsu on Story



So just come out already!!
If you go outside, you can meet the real Madoka!!
This ain't funny
I have to die in here!!

waiting
go. We'll
always
together
now ♥

Stare...
Maroka...

Yes, that's right.
I've been waiting for this.
I won't let you go again!

NOW LOADING...

Now writing the devil report.
Please don't turn off the power.

...
Something's wrong. I should have been somewhere else, not here..
Huh ?
?
?
Just as I thought, they look better on you. .

THE END?
(-∀-);

OMAKE.

Where's QB?

COME TO THINK OF IT
WHERE IS THAT SPACE FERRET?

Ah! So you were under the kotatsu~♥

OH, THERE-YOU-ARE!

You are a foolish fool who foolishly dreams of foolish dreams... I pity the fool that partakes in such foolery and foolishly believes in—

Hey, Ckretaznman of https://www.facebook.com/keionsarclove here.
Well, if you're wondering how I managed to do two works in the span of a week, the truth is that I didn't. I just kind of started an "anti-alias everything that I have photoshopped up to this point" project on my computer, and this was one of them.
It's not fun going through so many images just looking for text. Also, I'm looking for other pixiv things to scanlate. So recommendations are welcome, just don't make my life hell.
Have fun reading.
